Dear Sirs,

We have successfully obtained ISO 9001:2000 certification in October 2005. This letter is in appreciation of the efforts of AFOES Consultants towards achieving our goal.

AFOES CONSULTANTS

AFOES CONSULTANTS has helped WIKAI in a great measure to organize all our quality initiatives within the framework of ISO and to organizationally drive process improvements. Enormous support has also been forthcoming from them in our efforts to address issues inherent in adapting the ISO process to a trading and manufacturing organization like ours.

AFOES CONSULTANTS has been associated with us for 9 months from February 2005 to October 2005, helping us in our journey towards excellence through implementation of Quality Management System as per ISO standards. AFOES has been guiding us in our endeavor to strengthen our delivery capabilities through process improvements. We found them sincere and committed for the cause of Quality.

SRIJAYAN IYER

Mr. Srijayan Iyer has a passion for Quality. He is sincere and committed to the development of his client's organization through holistic approach of improvements in technology, systems and human resource aspects of Quality.

We sincerely appreciate the inputs & efforts put into this assignment by Mr. Srijayan and his team. It has truly been a pleasant learning experience. Not only the top management but every employee of the Company in every process gained through the entire ISO initiative and highly benefited through the various trainings imparted by you. The QMS has been appreciated a lot. It has truly been a unique value addition to our system.

Thanking you,

For WIKAI MIDDLE EAST FZE
