

Six Sigma Executive Overview

INTRODUCTION

No matter where you go today, you hear more and more people talking about Six Sigma. Your customer are talking about it...your suppliers are talking about it. Don't you think it's time you discover what everyone is talking about ?

To help you get started, we have created a one day executive programme entitled "Six Sigma Business Excellence". Throughout the day you'll learn answers to the questions like "What is Six Sigma?" and "Why Six Sigma" in addition, the programme will also cover the following key topics:

- An overview of Six Sigma
- Fundamental Six Sigma Concepts
- The Impact of Six Sigma
- Six Sigma Roles & Responsibilities
- Deploying Six Sigma in your Company
- Leading Change in a Six Sigma Company
- Understanding Six Sigma Project Selection
- Planning Next Steps

Business Benefits of the Training course

The principles and methodologies of the Six Sigma strategy when properly applied can return positive, breakthrough, bottom-line results regardless of your organization's business, you can expect to see:

- Improved overall customer satisfaction
- Reduced cycle time
- Increased productivity and added value
- Reduced defect levels
- Improved process flow
- Improved capacity and output
- Position in global markets

COURSE VENUE

All our public courses are being conducted at carefully selected venues at leading hotels and conference locations. Delegate's comfort is our top priority and we ensure that it is well taken care of at all times. Your feedback at the end of each course will help us to meet your expectations next time when you join us for another training session.

IN-HOUSE TRAINING SERVICES

Many organizations have their own unique facilities for training their staff. This course can also be held at your premises. For tailored course, the number of delegates will be dependent on facilities available. Please contact local AFOES office

Who Should Attend?

- **CEO**
- **Quality Professionals**
- **Senior Management wishing to introduce Six Sigma**

for details.

Take The Challenge

Reserve your spot to take the Six Sigma performance challenge to pay. You will soon begin to measure breakthrough gains that can be measured within months. Performance excellence Does result from execution.

Delegate assessment is carried out by continuous assessment of delegate performance throughout the theoretical and practical phases. Successful delegates will be awarded the certificate of achievement.

For details on Course Fee, exact course location and/or any other specific information, please contact local AFOES office.
